

# SUPI ADAWIAH

[supiadawiahcreative@gmail.com](mailto:supiadawiahcreative@gmail.com) | Bandung, Indonesia | [LinkedIn](#)

## PROFESSIONAL SUMMARY

A user-focused UI/UX designer with experience creating user interfaces for responsive websites and applications. I'm experienced in conducting user research, wireframing, prototyping, visual design, and usability testing to create design solutions for user experiences. I'm experienced using various design tools such as Figma, Invision, Maze, and Notion. I integrate design systems into my product development process to ensure companies deliver value to users.
